These two films together with one already purchased by Safety Unlimited are units of the Jiminy Cricket cartoon series. They are entitled "I'm No Fool in the Water," "I'm No Fool Having Fun," and "I'm No Fool on a Bicycle." Each film is a 16 mm cartoon, 10 minutes in length, is in color with sound, and is entertaining as well as instructive. The films were featured at the first story hour of the fall season at the library Saturday.

Bob Iams, head of Camas public library, and Mrs. Bernard Jacoby, library assistant, display the two safety films purchased by the mill during the summer.
